NEW BUSINESS
1. Discussion and potential action if desired by the board related to the petition under Chapter 6 of the Drain Code for Orchard Park Intercounty Drain.

Continuing the discussion from the workshop, the board felt Genesee County should be included in the drain district, especially since the water issue originates there. Mr. Recker said Livingston County can take easements but doing so increases costs. He said any kind of resistance against the project (easements, legal) will increase costs. $900,000 is the early cost estimate. The board
concurred they should further confer with the Drain Commission and the township engineer before taking any action.

2. **Request to hire replacement Assessor to fill vacancy.**

Trustee Walker moved to amend the budget if needed to hire a replacement Assessing Assistant. (Trustee Schultz seconded.) The motion carried; all ayes.
