PUBLIC REMARKS
Mark Betley addressed the board in regards to New Business #2 (Discussion of the ordinance regarding accessory structures). He explained why he would like to see the ordinance—which currently does not allow an accessory structure on a parcel without a primary structure—revised in cases such as his. He owns two lots directly across from each other separated by a road and wants to build a garage on the vacant lot across the road.

Effective Date: February 20, 2018

CERTIFICATION OF THE CLERK

The undersigned, being the duly qualified and acting Clerk of Tyrone Township, Livingston County, Michigan, hereby certifies that (1) the foregoing is a true and complete copy of a resolution adopted by the Township Board at a regular meeting, held on January 16, 2018, at which meeting a quorum was present and remained throughout, (2) the original thereof is on file in the records in my office, (3) the meeting was conducted, and public notice thereof was given, pursuant to and in full compliance with the Open Meetings Act (Act No. 267, Public Acts of Michigan, 1976, as amended) and (4) minutes of such meeting were kept and will be or have been made available as required thereby.

Marcella Husted
Tyrone Township Clerk
2. **Discussion of the ordinance regarding accessory structures.**

The zoning ordinance currently does not allow accessory structures on parcels with no primary structure. In the past, the township has had a few residents with unusual circumstances seeking a permit to put a structure on a vacant parcel, but the ordinance had no provisions to allow it. After discussing options, the board decided to recommend the Planning Commission incorporate a "special exception uses" provision, especially in regards to Mark Betley's property. No motion was made.

3. **Discussion regarding the sewer system of the proposed Sanctuary at Tyrone site condominium.**

The board discussed the possibility of the Sanctuary at Tyrone, a proposed development, connecting to the regional sewer system instead of building a private community septic system. Township engineer Phil Westmoreland said community septic systems always fail at some point and have a significant cost to repair. He thought perhaps the developer would be open to sharing the cost with the township to connect to the public sewer system. It would be cost effective for both parties; the township would have more system users and the developer would have a far better system and could possible increase the numbers of lots. The board agreed to have the officials and engineer hold a meeting with the developer. No motion was made.

4. **Proposed budget adjustments for 2017-18.**

Trustee Schultz moved to adopt the proposed 2017-2018 budget adjustments as presented (below). (Trustee Pool seconded.) The motion carried; all ayes.

8. Request to purchase APC Back-UPS 600VA battery backup/surge protectors for each department.

Trustee Pool moved to approve the purchase of five battery backup/surge protectors for the township office to be paid from the tech fund at $57.00 each. (Trustee Schultz seconded.) The motion carried; all ayes.

9. Revision to employee handbook regarding overtime hours.

RESOLUTION #180102
TYRONE TOWNSHIP, LIVINGSTON COUNTY

TO REVISE THE EMPLOYEE HANDBOOK
TO CHANGE THE OVERTIME POLICY

The revision to the Employee Handbook changed the overtime policy from "12 hours" to "10 hours" as bolded below:

OVERTIME
Overtime will be paid at the rate of one and one-half times the employee’s regular rate of pay for all hours worked over 40 hours in a week. The week starts on Sunday and ends on Saturday. Vacation days, personal days, and holidays not worked are not counted as hours worked in the calculation of overtime. Employees are expected to cooperate if overtime is requested by their supervisor. Should an employee work 10 hours [previously 12 hours] or more in a single day, overtime will be paid for hours in excess of eight (8) hours.
