

RESOLUTION #231001
TYRONE TOWNSHIP, LIVINGSTON COUNTY
MORATORIUM ON SOLAR PROJECTS

WHEREAS, the Michigan Zoning Enabling Act, 2006 P.A. being MCL 125.3101 et seq., authorizes Tyrone Township (the "Township") to adopt reasonable regulations to control the establishment and use of Commercial Large Scale Solar Energy Systems in accordance with the Township's Master Plan; and

WHEREAS, the Township has become aware of an increase of Commercial Large Scale Solar Energy Systems in the region, which is an emerging land use not sufficiently contemplated in the current Master Plan nor by the current zoning for anywhere in the Township; and

WHEREAS, the Tyrone Township is beginning the process of reviewing the Master Plan and its zoning for the purpose of updating it to include recognition of Commercial Large Scale Solar Energy Systems in the Township as an emerging land use in the region; and

WHEREAS, integration of Commercial Large Scale Solar Energy Systems land use within the Township's existing land uses requires suitable regulations and controls to ensure compliance with the Township's Master Plan, among other things, by preserving agricultural property, and for the protection of general health, safety and welfare of all of the Township's residents;

WHEREAS, this Board believes it is prudent and wise in light of the emergence of Commercial Large Scale Solar Energy Systems land uses in the region, to assure proper locating and regulation of these land uses in the Township and must consider this Resolution for Moratorium on Commercial Large Scale Solar Energy Systems so as to better protect the public health, safety, and Welfare of Township residents; and

WHEREAS, imposing a moratorium, on a limited temporary basis, is reasonable and necessary in order to allow the Township to fully explore, analyze, research and develop proposed amendments to the Master Plan and the Township Zoning Ordinance, and to make recommendations to the Township Board regarding such amendments applicable to Commercial Large Scale Solar Energy Systems uses in the Township; and

WHEREAS, the Tyrone Township Board previously adopted by Resolution #230402 a moratorium for six (6) months and which expires on October 4, 2023.

NOW THEREFORE BE IT RESOLVED, a moratorium is hereby imposed upon the issuance of any and all permits, licenses, or approvals for any property subject to or under the jurisdiction of the Township's Zoning Ordinance for the establishment or use of any new Commercial Large Scale Solar Energy Systems uses in the Township. The moratorium imposed by this Resolution is for a six (6) month period, which expires April 4, 2024, or until Commercial Large Scale Solar Energy Systems regulatory amendments to the Township's Zoning Ordinance become effective, whichever occurs first. Before this moratorium expires, the Township may by resolution extend the moratorium for up to six (6) months to allow sufficient time to complete amendments to its Master Plan and Zoning Ordinance, if necessary. If an extension is adopted, the Township will publish notice of the extension.
